3.4.1. Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

The College was allotted a National Service Scheme (NSS) Unit by Jawaharlal Nehru Technological University, Kakinada. About 100 students have enrolled their names as NSS Volunteers. The motto of NSS is "Not Me But you". Service to mankind is service to god. Imparting such values and attitude into the students is the motive of the institution. Believing in this, the institute carries out a number of extension activities in the neighbourhood community.

The NSS unit concentrates on the welfare of the neighbourhood community and sensitizes their social problems and takes necessary steps for the betterment of the society. These social outreach programmes brought a great impact on the holistic development of the students as they come across different categories of people and their living standards. Every year during Independence Day and Republic day, the NSS students coordinate with the other clubs of the institute to demonstrate on a current Social problem through parades and rallies.

NCC training is conducted by Associate NCC Officers and Armed Forces personnel for three years and has 120 periods of training. Firstly, to expose young cadets to a 'regimental way of life' which is essential to inculcate in them the values of discipline, duty, punctuality, orderliness, smartness, respect for the authorities, correct work ethos, and self-confidence Secondly, to generate interest in cadets by including and laying emphasis on those aspects of Institutional Training which attract young cadets into the NCC and provides them an element of thrill and excitement. Thirdly, to inculcate Defence Services work ethos that is characterized by hard work, sincerity of purpose, honesty, ideal of selfless service, dignity of labour, secular outlook, comradeship, and spirit of adventure and sportsmanship.

Extension activities in the neighbourhood community during the accreditation period:

Activities like Swatch Bharat is conducted in GANGURU, EDUPUGALLU, GOSALA, VANUKURU & MADDURU. The NSS Volunteers delivered a lecture on the Importance of cleanliness and its impact on health to the villagers. They also created awareness on Rain Water Harvesting Pits to the villagers in EDUPUGALLU and observed the raise of ground water level. Awareness programs were conducted on Solid Waste Composting, Plastic pollution, COVID Vaccine Awareness, Dietary Health benefits and Elimination of open defecation, women's rights both constitutional and legal, Girl Child Education, Literacy Awareness, and School Dropouts. A one week special camp drive was organized by NSS at MADDURU village on Plantation of trees. In

addition to these, training was also conducted to the unemployed youth to make them valuable contributors to society.

Medical camp was conducted in VANUKURU village. After the survey in the village, ortho problems and body pains are identified as the major problems. So a Medical camp was organized with orthopaedic doctors and medicines were also distributed by Deepak Multispecialty Hospital. Blood donation camps were conducted inside and outside the college in association with various Hospitals which was very helpful for the needy and poor people.

Various fund raising activities were conducted that gives financial support for needy people and welfare organizations. NSS volunteers extended their services towards Online COVID-19 CII YI task force and developed own COVID-19 Help desk during covid pandemic time.

NSS volunteers gave their best services to the devotees during Mahashivarathri Festival at Sri Ramalingeswara Swamy Devasthanam, Yanamalakuduru.
