INTERNATIONAL YOGA DAY

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being. Let us work towards adopting an International Yoga Day.

The United Nations General Assembly established June 21 as "International Yoga Day as it is the longest day when the sun is out at its most compared to every other day of the year.

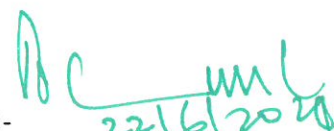

On occasion of International Day of Yoga we NCC cadets from Dhanekula Institute of Engineering and Technology on behalf of I(A) EME Coy NCC carried out different Asanas at home with family and made the event successful.

SWACHHATA PAKHWADA

Even Though India has advanced in many sectors Sanitation and waste Management is always challenging. To solve this many initiatives were undertaken by government of India to ensure Health and Hygiene across India. One of such Initiative is Swachhta Pakhwada.

Swachhata Pakhwada started in April 2016 with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata by engaging GOI Ministries/Departments in their jurisdictions.

In accordance with cleanliness drive started by our honorable Prime Minister, Mr. Narendra Modi, the role of schools and colleges has been instrumental in realizing the mission of “Swachh Bharat.” As the Youth play a vital role in spreading the “Swachhta” awareness and implementation across the country, we observed “Swachhta Pakhwada” from 1st December 2020 to 15th December 2020.

The drive included Rallies, Speeches, Plogging, Wall Painting Competitions, Essay Writing Competitions and Awareness programs and many more.

As a part of this we NCC cadets from Dhanekula Institute Of Engineering & Technology on behalf of 1(A) EME COY NCC participated in this event of essay writing

competitions and made the event Successful. All the Activities are conducted keeping in mind norms of Covid-19.

Republic Day Celebration, 2021

Republic Day is a national holiday in India. It honors the date on which the Constitution of India came into effect on 26 January 1950 replacing the Government of India Act (1935) as the governing document of India and thus, turning the nation into a newly formed republic.

The 72st Republic Day of India was celebrated with gaiety and patriotic fervor at DhaneKula Institute of Engineering and Technology amidst the foggy morning of 26th January, 2021. The ceremony took place in the presence of Chief Guest DhaneKula Venkata Bhavani Prasad garu, Secretary & Correspondent , Dr. Ravi kadiyala garu, Principal DIET and HODs of various departments, faculty, staff members and students.

The ceremony commenced with the Marching of NCC Cadets and unfurling of the National Flag by the Chief Guest and

Principal. This was accompanied by the rendition of National Anthem led by the college's students, staff.

In this regard NCC Cadets of Dhanekula institute of engineering & Technology on behalf of 1(A) EME COY NCC under the esteem guidance of Associate Ncc Officer Lt.k.Satyanarayana rao joined the event and made it successful.

D.O. No. T-13012/01/2020-Imm-part (1)
16th December 2020

Dear Madam,

As you may be aware, the last case of Polio in India was reported on 13th January 2011. India continues to maintain its polio free status, though wild polio cases are being reported globally only from two of our neighboring countries. This has been made possible due to sensitive polio surveillance with quality pulse polio rounds to maintain population immunity. The Ministries of the Central Government, State Governments, partners and other stake holders must be appreciated for having worked together to ensure that the country maintain population immunity by observing quality pulse polio rounds thereby helping the country to remain polio free.

2. In the last three years, the world is seeing a surge in polio cases in two polio-endemic countries in our immediate Neighborhood. In 2020 (till 17 Nov), 135 wild polio virus cases have been reported as compared to 176 cases for entire period of 2019. Hence, there is no room for complacency. To mitigate this risk, the India Expert Advisory Group on Polio eradication has recommended intensive polio vaccination campaigns until the virus is interrupted globally. As per these recommendations, the Department of Health and Family Welfare has decided to conduct a nation-wide polio vaccination campaign on **17th January, 2021**. All the Infection prevention and COVID-19 appropriate protocols will be adhered to while conducting this mass drive.

3. Since the inception of the programme, your ministry has been supporting these polio vaccination campaigns. We again solicit your unstinting support for the upcoming pulse polio campaign. The Department of Youth Affairs may kindly advise members of their field formations to be a part of booth, house to house and transit teams during pulse polio immunization days, take out rallies in support of the programme and to motivate their neighbors for taking out children for polio vaccination during the upcoming NID.

Regards.

Yours sincerely,

(Rajesh Bhushan)

Deadline: One Week (26 January 2021)

Regional Level Business Plan Presentation- Best six will be chosen

Deadline: Two Weeks (1st and 2nd week of February 2021)

National Level Business Plan Presentation- Best Three will be awarded

Deadline: One Week (Last Week of February 2021)

I express my willingness to participate in the business plan competition. Here are my details for the same.

Name:

UG/PG:

Year: I/II/III/IV

Institute Name:

Email ID:

Place:

State:

SCHOOL DROPUTS:

- Annual dropout rate was highest for secondary schools in India was about 17.06 percent approximately

REASONS FOR SCHOOL DROPUTS:

- Engaging children in labour activities.
- Poor health
- Bad influence

PREVENTION METHODS:

- Communicate with them.
- Let know the importance.
- Be supportive.
- Talk to them about career realities.

HEALTH:

- Health is the important thing in everyone's life
- After 30 years of age everyone should get a complete health check-up for every 6 months.
- Follow traditional food habits.
- Take protein and carbohydrate rich foods.
- Exercise daily for at least an hour.
- Health is a precious thing not only physically but also mentally.

GIRL CHILD EDUCATION:

- Girl education very poor in secondary stage and higher education.
- Only 13% of women is having primary education and 1% of women is having higher education
- In many places' girls are getting educated only up to primary level.

1. Challenges in girl education

1. violence at school
2. lack of funding
3. early marriage
4. domestic labour
5. poor sanitation

- Educating a girl and making her independent is most crucial than getting her married

Plastic awareness:

- Plastic takes more time to decompose.
- Use it eco-friendly items.
- Plastic waste not only affecting humans but also every human being.
- Many places replaced plastic with eco-friendly items and with traditional methods.
- Change has to come from us. please try to avoid plastic.

NON-CONVENTIONAL ENERGY SOURCES:

- Resources like coal, fuel, gas are going to be extinguished with in few years.
- Use resources now like solar, wind, biomass.
- For example, now a day's electric generation using solar energy is seen everywhere.
- Not only this there are many other ...
- Parents and working people get ideas, share with youngsters and college students.
- Spend atleast for an hour in a day with an environment.
- Turn off electronic & electric appliances enjoy the nature.

COVID 19:

- Launched on 16th January 2021
- For getting vaccine
- Register from co-win app
- Will receive SMS on their mobile number regarding date venue and time
- For registering the document such as pension document /Aadhaar/ pan card/driving license/voter id /passport. Etc must be produced.
- Two doses of vaccine 28 days a part
- Wear mask, carry and use sanitizer, maintain social distance.

DETAILED REPORT

18TH Feb 2021

“Awareness on COVID and other Health Issues”

As a part of NSS SPECIAL CAMP, DHANEKULA NSS UNIT have organized a Door-to-Door campaign on “PLASTIC AWARENESS” and “SOIL CONSERVATION in Madduru Village. Around 50 Volunteers have participated in this awareness campaign.

Volunteers have educated the people in the village about the harmful effects of plastic on Health, Environment, Wildlife and urged them to avoid single use plastic. They have also asked the people to use Jute or Cloth bags in place of plastic.

On the same day, Volunteers have educated the people about the precautions and dietary measures to be taken in the pandemic time. The importance of mask, sanitizer and social distancing have been stressed and urged.

19th Feb 2021

Seminar on “Career Prospects and Open Defecation”

As a part of NSS SPECIAL CAMP, DHANEKULA NSS UNIT have organized a seminar on “Career Prospects and Open Defecation” in Z.P. High School in Edupugallu Village. Around 50 Volunteers have participated in program.

Volunteers have demonstrated the students of the school about the importance of education in the current era and its significance. The different career prospects with their responsibilities and advantages were thoroughly explained to the young minds, which encouraged the students to understand the benefits of education. The students are also educated on the various issues caused due to open defecation. Volunteers have also interacted with the students individually and gave them valuable suggestions and advice related to education.

20th Feb 2021

“PLANTATION OF TREES”

As a part of NSS SPECIAL CAMP, DHANEKULA NSS UNIT have organized “TREE PLANTATION” in Edupugallu Village. Around 50 Volunteers have participated in this campaign. The volunteers have distributed and planted various trees throughout the village signifying the importance of trees for our health and environment.

Principal Message on the Special Camp

To Involve the higher Educational institutions for better relationship with society this camp was designed and deployed by our Institution NSS Unit, Special Camp program was taken by our Dhanekula NSS Unit, to mainly focus in awakening the society to keep their vicinity clean and hygienic. We have Selected Ward no 35-45 in Vijayawada Municipal Corporation in the state of Andhra Pradesh as our primary target. In this scenario we have pushed swatch bharrath, Digital Transactions, Health camps, women empowerment to the people involving Honorable MLA Jaleel Khan.

As a Initial Step we have educated the school children (upcoming future generation), by inviting them to our college Premises which relived a fact that many people in the villages are less aware about making their surroundings clean, and also were less aware of Digital Transactions

Our NSS **volunteers** and supporting staff have made a good job in Promoting swatch bharrath, Digital Transactions, Health camps, women empowerment, we could receive a good response from villages regarding the same

I convey and extend my sincere thanks to University NSS Coordinator Dr.Sri Kumar, Liason Officer Krishna District Mr.C.M.Vinay Kumar for Helping us in making this camp come true, Special Thanks to Honorable MLA Jaleel Khan & our college management for their consistent support in making this camp a grand success

"Mahashivarathri Festival 2020"

Date: 10-03-2021,
Ganguru.

It is to bring to your kind notice that Sri Ramalingeswara Swamy Devasthanam, Yanamalakuduru is celebrating "Mahashivarathri Festival" on 11/03/2021. As the devotee turnout to the temple is very large, the E.O has requested to depute our college NSS volunteers to manage the crowd and arrangements to allow smooth conduct of the festival. In this regard I request all NSS Volunteers who are interested to participate in the festival to give your details to the NSS PO by 04.00 PM today. Breakfast and Lunch to the volunteers will be provided.

Thanking You,

K. V. L. L.
