KARGIL VIJAY DIVAS (OP VIJAY)

Kargil Vijay Diwas, named after the successful Operation Vijay, is celebrated in India on 26 July. On this date in 1999, India successfully took command of the high outposts which had been lost to Pakistan. This day is celebrated in the Kargil–Dras sector and the national capital New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year. Functions are also organized all over the country to commemorate the contributions of the armed forces.

Sadbhavana Diwas

Every year on August 20, Sadbhavana Diwas commemorates the memory of our late erstwhile Prime Minister, Rajiv Gandhi. Paying homage to his memory and legacy, close family members and senior Congress party members lay down wreaths and garlands on Veer Bhoomi, where he was cremated.

In English, 'Sadbhavana' means goodwill and bonafide. Shri Rajiv Gandhi as the youngest Prime Minister of the nation tried to propagate communal harmony, peace, and national integrity within India and was known a goodwill ambassador to the world. Being young, his thought process was modern, and he had the vision of a developed nation through many national as well as international projects that he pioneered.

This year we NCC cadets participated in this event as a part of social awareness and community development activity. We moved as a rally from Andhra Loyola college, Vijayawada to St. John's school with placards and made this event successful.

Dear Sir / Madam

As a socially responsible Corporate, **HDFC Bank** proactively involves in various activities that impacts the environment, consumers, employees and communities. As part of responsibility towards the society, Bank has been conducting **All India Voluntary Blood Donation Campaign** every year, since 2007. It's been a long satisfying journey so far which has left many moments to cherish with. In the **inaugural year**, we had collected over **4,300 units of blood from 88 Camps which spanned across 87 locations**. The initiative had gained momentum and the participation grew at an exponential rate which ended with **3,10,746 units of blood collected from 3991 camps spread across 1107 locations in 2019**

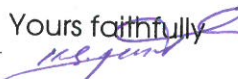

Since 2012, we have started partnering with Colleges / Corporates / Defence establishments / Police Departments which has taken this initiative to a different tangent. It is with immense pleasure we wish to bring to your kind attention that, In its **7th year on 06th Dec'2013**, the initiative witnessed the largest participation, with **61902 voluntary donors across 709 locations in 1115 camps**, in a single day and the Bank has been recognized by **Guinness Book of World Records as organizer of Largest Blood Donation (Multiple Locations) drive on a single day**.

Going by the previous year's trend, we are expecting these camps in more than 1200 locations across country with more than 4000 camps. The initiative has grown in strength and momentum every year and this year, we are looking at more than 3,00,000 Voluntary Participants to Join this all India initiative scheduled during first week of December 2019. With successful tie-up with 1500+ Colleges / Corporates last year, our Bank is planning to tie-up with more Educational Institutes / Corporates this year at locations across India for conducting joint Blood Donation Camps.

It is heartening to see more and more people joining hands for this noble cause, over the last 11 years. Through such country-wide blood donation camps, we are able to successfully create awareness about the alarming scarcity of blood and the widening gap between demand and supply in a growing nation. We solicit your support in our efforts to help save lives.

Thanking you

Yours faithfully

SUB: Permission for conducting blood awareness program and blood donation camp.

Respected Sir,

We have been operating the **New City Blood Bank** at D.No-29-19-10, Near SBI, Dornakal Road, Suryaraopet, Vijayawada, 520 002, Vijayawada with branches at Ongole (New Vision Blood Bank) and Nellore (Nova Blood Bank).

All our blood banks Provide Services under **Rural and Urban Development Society** which runs on “**No Profit & No Loss**” principle. Our major activities include spreading awareness on blood donation among the youth, conducting blood grouping and organizing blood donation camps. Other Important Activity is providing blood at free-of-cost for **Thalassemia Patients** (86 units in Krishna and Guntur districts per month). Added to this, of all the blood units we collect, 30% goes to Government General Hospitals’ blood banks.

We have MoU with many Colleges & charity organizations in the surrounding areas. The benefit of having an MoU with us is that when referred by the NSS officer of your college/organization we provide whole blood or its components (except SDP) free of cost.

As you are aware, most of the hospitals and blood banks have to have storage of blood for reaching the emergency requirements of the needy.

Hence we seek your permission to execute blood donation camp in your organization and your esteemed guidance in making it a success. We hope we will get your support.

Thanking You Sir/Madam,

Yours Sincerely

Dr. Kalyani Pinnamaneni,
Administrative Officer,
New City Blood Bank.
