IQAC CIRCULAR

All the respected members of IQAC, DhaneKula Institute of Engineering and Technology are hereby informed that a review meeting is scheduled at 10:30 AM on 26-07-2022 in IQAC Cell. Hence all the members are requested to attend and extend their contribution for quality enhancement. The agenda of the meeting is as follows:

Agenda

1. Faculty & Student Publications.
2. Workshops including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship.
3. MoUs & collaborations/linkages with industries and Engineering colleges for Internships, Industry visits.
4. Grants received from Government agencies for research projects / endowments from government and non-government organizations.
5. Teaching and non-teaching staff participating in Faculty development Programmes (FDP).
6. Capacity building and skills enhancement initiatives taken by the institution
7. Guidance for competitive examinations, Career counseling programs organized by the institution.
8. Any item with the permission of Chair person.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Minutes of the meeting of the Internal Quality Assurance Cell (IQAC) meeting held on 26-07-2022 at 10:30AM in IQAC Cell.

1. Dr. Ravi Kadiyala, Principal and Chairperson of IQAC, warmly welcomed all the members presented to the meeting.
2. Academic audits were completed by all departments, and a summary report was submitted to the principal for further action.
3. The following Agenda discussed by the committee members.
 1. Faculty & Student Publications.
 2. Workshops including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship.
 3. MoUs & collaborations/linkages with industries and Engineering colleges for Internships, Industry visits.
 4. Grants received from Government agencies for research projects / endowments from government and non-government organizations.
 5. Teaching and non-teaching staff participating in Faculty development Programmes (FDP).
 6. Capacity building and skills enhancement initiatives taken by the institution
 7. Guidance for competitive examinations, Career counseling programs organized by the institution.
 8. Any item with the permissions of Chair person.

Resolutions:

1. The Chairperson of IQAC has provided recommendations, which include the organization of additional Faculty Development Programs in emerging technologies, and encouragement for students to participate in more internships.
2. Heads of Departments (HoDs) are urged to stress the involvement of faculty members in real-time projects and promote publications in SCI/SCIE/Scopus indexed journals, as well as book publications.
3. HoDs are requested to implement application-based learning, Workshops, Projects, and industrial visits for the benefit of students.
4. Resolved to have mutual intentions to jointly work on projects required for industries and research needs
5. **Vote of Thanks:** The IQAC Chairperson expressed gratitude and announced that the next meeting is scheduled for July 2024.

ACTION TAKEN REPORT OF THE MEETING DATED 26-07-2022

S. NO.	ITEM	ACTION TAKEN
1	Faculty & Student Publications.	23 papers were published in UGC Care listed Journals.
2	Workshops including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship.	9 Workshops were organized
3	MoUs & collaborations/linkages with industries and Engineering colleges for Internships, Industry visits.	Have 11 MoUs for Linkages with Industries and Institutions.
4	Grants received from Government agencies for research projects / endowments from government and non-government organizations.	Received Rs. 20,006/- of consultancy from Industry by the department of CE and from Optronix Engineering Ltd received 2000 Dollars.
5	Teaching staff participating in Faculty development programmes (FDP).	3 FDPs were organized
6	Capacity building and skills enhancement initiatives taken by the institution	Capacity building program has organized to the students enhance the knowledge, skills, and resources of individuals, organizations, or communities.
7	Guidance for competitive examinations, Career counseling programs organized by the institution.	36 students were qualified in various competitive exams.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Minutes of the meeting of the Internal Quality Assurance Cell (IQAC) meeting held on 20-01-2023 at 10:30AM in IQAC Cell.

1. Dr. Ravi Kadiyala, Principal and Chairperson of IQAC, warmly welcomed all the members presented to the meeting.
2. Academic audits were completed by all departments, and a summary report was submitted to the principal for further action.
3. The following Agenda discussed by the committee members.
 1. Add on courses.
 2. Internships & Industrial visits for students.
 3. Proposals of Major & Minor research projects & financial support.
 4. Conducting FDP's & Workshops for faculty and students.
 5. Achieving students Higher education & Competitive exams.
 6. MoU's with organizations & Institutions.
 7. Any other with the permission of Chair.

Resolutions:

1. Recommended to implement Add on courses on latest technologies.
2. It is resolved to encourage the students to participate in Industrial visits and Internships.
3. It is resolved to organize programmes for Career counselling & Placements to students which are useful to know the self-skills, talents, values, and interests to translate into possible jobs or careers.
4. Chairman, IQAC was recommended to do more Internships by the students which offers work experience in a particular field & students have received first-hand experience of a job role.
5. Vote of thanks: The IQAC chairperson proposed a vote of thanks.

Date: 10/9/2021

CIRCULAR

Dear All,

As per the instructions of Principal sir, the following Subject Allotment Guidelines & Audit checklist have been prepared and please find the new guidelines for subject allocation.

The subjects are to be divided into two categories, which are theoretical and analytical/Programming. Then, the faculty members are requested to give their preferences (at-least 3 subjects) in each category. Along with three preferences shall be given in the laboratory courses.

HOD's role is to finalize the subjects based on chair meeting discussion by considering the preference, specialization, experience and other workload of the staff etc.

The preference of faculty need to be considered in the below mentioned order

1. Assistant Professor
2. Associate Professor
3. Professor

In case of two faculties opting same subject the allotment should be based on following criteria:

1. Preferential choices from faculties satisfying criteria of job designation
2. Specialization of the faculties
3. The efficiency of the teacher in handling same subject in previous semesters/ similar subjects
4. Feedback from student community - but the weightage given to this parameter should be given considering on the No of students participated.
5. If a particular difficult subject is not chosen by any one, the HOD can allot it to the senior most staff with the corresponding specialization, or to someone he thinks can do justice to the subject who were specialized in the area.

Note: During allotment of subjects it would be good to ask for preference of subject from the faculty members (1, 2, 3)... depending on the preferences/Specialization of the faculty at the same time if the faculty has not been taking the same subject for the last 2 years, his/her first choice can be granted. The faculty will stick to one or two 'favorite' subjects for many years (as they would need little or no preparation). This ends with the faculty 'rusting' up. It would be good to rotate subjects every 2 years. During the lifetime of a faculty member in the department, he/she should have taken almost all the course subjects. This actually helps in preventing the faculty from 'rusting'.

Department Checklist for Internal Audit:

1. Time of Notification (1 month in advance so that faculty will be ready with course file before the semester starts, a faculty is supposed to present course preparedness prior to one week of commencement of class work (Upon satisfying all the course files He/she may be permitted to teach the subject).
2. Subject Preference sheet signed by all faculty.
3. Subject allotment sheet signed by all faculty.
4. Department meeting minutes in regard to Subject Allotment.
5. Faculty taught subjects for the last five academic years with feedback and pass percentage.
6. Faculty Specialization and Research Area.
7. Work Load Sheet for the last five academic years.

1. Dr Ravi Kadiyala, Principal, Dhanekula Institute of Engineering & Technology and Chair-Person, IQAC, extended welcome for all the members presented for the meeting.
2. Action Taken Report of the previous meeting was discussed and approved by the members present.
3. Principal addressed about the new initiatives what were introduced in this academic year

SUBJECT ALLOTMENT PROCEDURE

The subjects are to be divided into two categories, which are theoretical and mathematical/Programming. Then, the faculty members are requested to give their preferences (at-least 3 subjects) in each category.

HOD's role is to finalize the subjects based on chair meeting discussion by considering the preference, specialization, experience and other workload of the staff etc.

The preference of faculty need to be considered in the below mentioned order

1. Assistant Professor
2. Associate Professor
3. Professor

In case of two faculties opting same subject the allotment should be based on following criteria:

1. Preferential choices from faculties satisfying criteria of job designation
2. Specialization of the faculties
3. The efficiency of the teacher in handling same subject in previous semesters/ similar subjects
4. Feedback from student community - but the weightage given to this parameter should be given considering on the No of students participated.
5. If a particular difficult subject is not chosen by any one, the HOD can allot it to the senior most staff with the corresponding specialization, or to someone he thinks can do justice to the subject.

Note: During allotment of subjects it would be good to ask for preference of subject from the faculty members (1, 2, 3)... depending on the preferences/Specialization of the faculty at the same time if the faculty has not been taking the same subject for the last 2 years, his/her first choice can be granted. The faculty will stick to one or two 'favourite' subjects for many years (as they would need little or no preparation). This ends with the faculty 'rusting' up. It would be good to rotate subjects every 2 years. During the lifetime of a faculty member in the department,

he/she should have taken almost all the course subjects. This actually helps in preventing the faculty from 'rusting'.

Department Checklist for Internal Audit:

- Time of Notification (1 month in advance so that faculty will be ready with course file before the semester starts, a faculty is supposed to present course preparedness prior to one week of commencement of class work .Upon satisfying all the course files He/She may be permitted to teach the subject)
- Subject Preference sheet signed by all faculty.
- Subject allotment sheet signed by all faculty.
- Department meeting minutes regarding Subject Allotment.
- Faculty taught subjects for the last five academic years with feedback and pass percentage.
- Faculty Specialization and Research Area.
- Work Load Sheet for the last five academic years

Resolutions:

1. Head of the departments are requested to follow the procedure for the subject allotment for enhancement of quality teaching learning Process.
2. The head of the departments are requested to create awareness to the staff on the procedure of the subject allotment which helps to pick the suitable subject that helps them to enhance their area of interest to do research work which helps the students with better skills imparting to them.
4. Vote of thanks – IQAC chairperson proposed vote of thanks and conveyed that next meeting shall be scheduled in MAY 2022

Minutes of the meeting of the Internal Quality Assurance Cell (IQAC) meeting held on 02-03-2022 at 3:30PM in IQAC Cell.

1. Dr. Ravi Kadiyala, Principal and Chairperson of IQAC, warmly welcomed all the members presented to the meeting.
2. Academic audits were completed by all departments, and a summary report was submitted to the principal for further action.
3. The following Agenda discussed by the committee members.
 1. Add-on/Value added courses and Certification Programs
 2. FDPs, Workshops & Seminars organised.
 3. Activities conducted by NCC/NSS
 4. Faculty publications
 5. Any other with the permission of Chair.

Resolutions:

1. The IQAC chairperson has given recommendations included organizing more Faculty Development Programs in recent emerging technologies, increasing publications in quality journals, and encouraging students to undertake more internships.
2. HoDs are requested to emphasize the faculty members to involve in real-time projects and encouraged publications & book publications.
3. HoDs are requested to conduct Application-based learning, Projects, and Industry visits for the students.
4. Vote of thanks: The IQAC chairperson proposed a vote of thanks.

IQAC CIRCULAR

All the respected members of IQAC, Dhanekula Institute of Engineering and Technology are hereby informed that a review meeting is scheduled at 10:30 AM on 20-08-2020 in IQAC Cell. Hence all the members are requested to attend and extend their contribution for quality enhancement. The agenda of the meeting is as follows:

Agenda

1. Add-on/Value added courses and Certification Programs
2. Workshops & Seminars organised.
3. Activities conducted by NCC/NSS.
4. Faculty publications.
5. Funding for Research projects.
6. MoU's with Industries, Institutions and Companies.
7. Organisation of Best Practices.
8. Any item with the permission of chairperson.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Minutes of the meeting of the Internal Quality Assurance Cell (IQAC) meeting held on 20-08-2020 at 10:30 AM in IQAC Cell.

1. Dr. Ravi Kadiyala, Principal and Chairperson of IQAC, warmly welcomed all the members presented to the meeting.
2. Academic audits were completed by all departments, and a summary report was submitted to the principal for further action.
3. The following Agenda discussed by the committee members.
 1. FDP's, Workshops & Seminars organised.
 2. Activities conducted by NCC/NSS
 3. Faculty publications
 4. Funding for Research projects
 5. Collaborations & MoU's with Industries, Institutions and Companies
 6. Organisation of Best Practices.
 7. Any other with the permission of Chair.

Resolutions:

1. The IQAC chairperson has given recommendations included organizing more Faculty Development Programs in recent emerging technologies, increasing publications in quality journals, and encouraging students to undertake more internships.
2. HoDs are requested to emphasize the faculty members to involve in real-time projects and encouraged publications & book publications.
3. The IQAC chairperson asked to give a pre-plan of Extension activities.
4. HoDs are requested to conduct Application-based learning, Projects, Internships and Industry visits for the students.
5. It is resolved to associate with more number of domain specific Industries and work towards achieving MoUs to maximize Internship Opportunities the students.
6. The IQAC chairperson has given instructions to HoD's about the Best practices to enhance the skills of the students to be able to apply their knowledge to face and resolve real time challenges.
7. Vote of thanks: The IQAC chairperson proposed a vote of thanks.

20. Dr Ravi Kadiyala, Principal, DhaneKula Institute of Engineering & Technology, Chair-Person IQAC.
21. Ch.Renu Sekhar, Administrative Officer, DhaneKula Institute of Engineering & Technology, Special Invitee.

1. Dr Ravi Kadiyala, Principal, DhaneKula Institute of Engineering & Technology and Chair-Person, IQAC, extended welcome for all the members presented for the meeting.
2. Dr.A. kiran Kumar, Professor, Mechanical department, Coordinator of IQAC initiated the meeting by addressing the initiatives taken by the institute to meet the Quality policy of the institution.
3. In view of the presence of new members in the committee, Coordinator addressed the quality parameters and impact of conducting audit in various key parameters which helps to have a self-check on quality parameters and thereby helping the institution for improvement.

AUDIT PARAMETERS

1. Teaching Learning

Objective : Ensures effective curriculum delivery through a well-planned and documented process.

Action : Course file Audit

Outcome : Improved Student Feed Back on Teaching Learning Process. Improvement in internal performance of CO. Continuous Quality Improvement

Frequency of Audit : Teaching learning process audit is conducted in three phases per semester.

Phase -I: One week before the commencement of class work.

Phase -II: After Completion of Mid-I Examination.

Phase -III: After announcement of end result of semester examination.

Audit Observation : All departments are executing detailed, well structured, Corrective teaching learning Procedures to improve the academic performance of students. CSE department faculty initiated some new innovative teaching methodologies such as flip class room teaching, coding club etc.

Suggestions:

Sri D K R K Ravi Prasad, Member, Governing Body, appreciated the efforts made by the faculty for improving the quality of teaching. He advised all the head of the departments to promote the innovative teaching methodologies in the departments by conducting brainstorming sessions regularly in the departments.

Promoted by DhaneKula Venkata Subbala Charitable Trust

DhaneKula Institute of Engineering & Technology

(Approved by AICTE New Delhi Affiliated to JNTU Kakinada)

An ISO 9001 - 2008 Certified Institution

E-mail : diet.principal@gmail.com, diet2009@rediffmail.com, website www.diet.ac.in

2. Curriculum Planning

Outcome: Enhanced Curriculum for better attainment of POs & PSOs

Frequency of Audit: Yearly once before the commencement of the academic year

Audit Observation:

- Compared to the previous academic year the no of curriculum gaps identified number is improved and the conduction of activities to fill those gaps are also improved satisfactorily.
- Gap Identification at course level is good but need to improve the curriculum level gaps.
- Need to follow the time line in collection of gaps from stake holders need to be improved.

Suggestions:

Sri D V Bhavani Prasad, Secretary & Correspondent, Suggested to develop a mechanism to avoid time lag in collecting views from different stake holders by conducting surveys through Google forms, emails, etc. He also suggested to involve more no of stake holders in strengthening the curriculum by considering their real time views.

3. Execution of identified gaps by Adjunct/Visiting/Emeritus faculty

Outcome : To ensure the execution of the identified gaps

Frequency of Audit : Yearly once

Audit Observation : Only few departments are inviting **Adjunct (industrial)** Faculty to handle the course which requires real time application.

Suggestions:

Sri D K R K Ravi Prasad, Member, Governing Body Suggested to include at least one course by adjunct faculty for semester. He pointed that practical application knowledge definitely creates interest in the subject and leads to development in the new product under the guidance of real time industry person.

4. Laboratory Facilities

Outcome : Exposure to Experimentation beyond Curriculum- Modern Tools Usage

Frequency of Audit : Yearly once before the commencement of the academic year

Audit Observation : Laboratories in all the departments are well equipped and well maintained. Additional experiments are also included in the each laboratory course.

Suggestions: Dr.Ravi Kadiyala, Principal suggested to initiate at least conduct of one mini project by the students in each laboratory. Need to promote latest technologies and modern tool usages in the laboratories

5. Syllabus Monitoring:

Outcome : Syllabus Completion in time before exams

Frequency : Monthly

Audit Observation : The process following in very effective .All the departments are executing the process as per the institution procedure and identifying the subjects which are lagging by the end of the month and such subject s are allotted with makeup classes to complete the syllabus within the time.

Promoted by : DhaneKula Venkata Subbaiah Charitable Trust

DhaneKula Institute of Engineering & Technology

(Approved by AICTE New Delhi Affiliated to JNTU Kakinada)

An ISO 9001 - 2008 Certified Institution

E-mail diet_principal@gmail.com, diet2009@rediffmail.com, website www.diet.ac.in

Suggestions :

Sri D V Bhavani Prasad, Secretary & Correspondent, Appreciated the efforts practicing by the departments in completion of the syllabus within the time line. Syllabus completion as per the schedule is key point for the quality of teaching.

6. Teaching Feed Back from Student

Outcome : Improvement in Learning Outcomes

Frequency : Twice per semester.

Audit Observation : Feedback on teaching plays a vital role in knowing the level of achievement of learning outcome. In connection to this faculty having Feedback less than 70% are listed in every phase and they are counselled to improve the strategy in delivering the subject by identifying the difficulties from the student end. Mentioned practice found a good impact in enhancing the quality of teaching learning process. Compared to earlier academic years the list of faculty less than 70% are minimized.

Suggestions:

Dr.Ravi Kadiyala, Principal, Appreciated the efforts made by the faculties in improving their teaching skills which leads to good progress in academic performance of students. Self-evaluation of teaching on regular basis during the class work shall also enhance the quality as well as pass percentage in respective subjects.

7. Project Quality

Outcome : Initiating steps towards development of Quality product for utilization /Commercialization

Frequency : Yearly once

Audit Observation : All the departments are putting their efforts to the best to develop new products by improving the project quality.

Suggestions : Members discussed about the means to improve the quality in projects and turning out of products for commercialization. Suggested to provide financial assistance in developing new products there by students and faculty shall show interest and shall have means to look for a new and innovative product.

8. Quality of Internal Question Papers

Outcome : Improved Quality of Internal Question Paper

Frequency : Twice per semester

Audit Observation : Need to improve the procedure following in the departments in the assessment of quality of question papers.

Suggestions :

Sri D K R K Ravi Prasad, Member, Governing Body, advised to form a separate committee in assessment of quality of question paper to meet the bloom taxonomy levels. Dr.Ravi Kadiyala, Principal, clarified to the query raised by Mr. Ravi Prasad by explaining that a separate committee named department assessment committee is framed and involved in the quality check of the question banks(pre examination) and quality papers (post examination) in the each department.

Promoted by : DhaneKula Venkata Subbaiah Charitable Trust

DhaneKula Institute of Engineering & Technology

(Approved by AICTE New Delhi Affiliated to JNTU Kakinada)
An ISO 9001 - 2008 Certified Institution

Ganguru, Vijayawada - 521 139. Phone & Fax : 0866-2583842 / 43, Cell : 94910 17088.
E-mail : diet.principal@gmail.com, diet2009@rediffmail.com, website : www.diet.ac.in

Principal advised all head of the departments to have effective implementation of assessment check of question papers because it is the point frequently raised as a query in NBA and any other accreditation body.

9. Certification Programs

Outcome : To improve skill based knowledge

Frequency : Yearly once

Audit Observation : Compared to previous academic years the no of certifications courses organized by the departments are improved .Can improve certification courses in CSE, ECE departments.

Suggestions:

Dr.Ravi Kadiyala, Principal, suggested CSE dept. to conduct more certification courses on C, C++, Java, Python, data sciences, Artificial intelligence as they are having more Weightage in recruitment process not only for CSE students but for the students of all branches.

10. Audit on Selection of Electives Courses

Outcome : Academic Flexibility – Diverse Specializations.

Frequency : Yearly once

Audit Observation : All the departments are promoting the students to have choice on selecting the stream of their interest by providing elective courses in the curriculum.

Suggestions:

Sri D V Bhavani Prasad, Secretary & Correspondent, appreciated for the practice following by giving the opportunity to student in selecting their stream of interest. He also said that interest of the student is the key factor of his success.

11. Filed Visits/Internships

Outcome : To expose the students to real practical word

Frequency : Yearly once

Audit Observation : The no of industrial visits, internships count is improved a lot when compared to the earlier academic years. Industrial visit objective need to be specific.

Suggestions:

Dr.Ravi Kadiyala, Principal, recollected few points regarding the internships. AICTE made internships mandatory from the academic year from 18-19 but our institution habituated the students as mandatory of doing the internship from the academic year 16-17 onwards even though JNTUK shall not weigh the internships in the student assessment for award of degree.

Dr.Ravi Kadiyala, Principal, explained the procedure for all the head of the departments how to make the industrial visit as outcome specific. He advised to plan as per the gap identified at the beginning of the academic year by different stake holders. It helps in the execution of the gap identified and also the objective of industrial visit fulfilled with specific outcome.

Promoted by : DhaneKula Venkata Subbaiah Charitable Trust

E-mail : diet.principal@gmail.com, diet2009@rediffmail.com, website : www.diet.ac.in

12. Final Year Pass Percentage

Audit observation : The final year pass percentage of all the departments CE - 87.5%, EEE- 85.7%, ME- 75.78 %, ECE- 88.97 , CSE- 96.61%

Suggestions : Sri D V Bhavani Prasad, Secretary & Correspondent, appreciated all the head of the departments for maintaining pass percentage above 75%. Also suggested to present the pass percentage of all the semesters in the next meetings.

13. Faculty Development Programs attended by Faculty

Outcome : Widen domain and multidisciplinary knowledge/

Frequency : Yearly once

Audit Observation : The participation of staff in FDPS/workshops count is good. ECE department need to improve the count of participation of staff.

Suggestions :

Dr.Ravi Kadiyala, Principal, Advised the head of the departments to avoid repetitive participations. Depute the faculty for workshops/FDPS according to their streams by that they develop knowledge in their interested area and it also helps students to guide in that respective areas.

14. Faculty Publications in Journals/Conferences

Frequency : Yearly once

Audit Observation : Need to improve the publication count

Suggestions :

Sri D K R K Ravi Prasad, Member, Governing Body, suggested principal to make a policy of one publication per year by every faculty.

Mr Krishna Prasad advised the head of the departments to address the faculty regarding the publications and quality of publication now a days all accreditation bodies looking in to quality of publication so make all the faculty aware of these points. Hence it was concluded that through awareness has to be created among the faculty about the approved journals by the accredited and approval bodies so that the publications made by the faculty shall add value to the institution.

15. Faculty Development programs Organized

Frequency : Yearly once

Audit Observation : Need to improve the programs in all departments

Suggestions :

Sri D V Bhavani Prasad, Secretary & Correspondent suggested to conduct more by which outside exposure to real world can be enhanced.

16. Guest lecture/seminar/workshops organized for students

Outcome : To expose students to application based knowledge in real world on advanced topics with society interaction

Frequency : Yearly once

Audit Observation : Good in number when compared to earlier years

Promoted by : DhaneKula Institute Subbaiah Charitable Trust

DhaneKula Institute of Engineering & Technology

(Approved by AICTE New Delhi Affiliated to JNTU Kakinada)

An ISO 9001 - 2008 Certified Institution

Ganguru, Vijayawada - 521 139 Phone & Fax : 0866-2583842 / 43, Cell : 94910 17088
E mail : diet.principal@gmail.com, diet2009@rediffmail.com, website : www.diet.ac.in

Suggestions :

Principal, suggested to conduct the programs as outcome specific. More programs need to be conducted under professional societies which establish real time exposure to the world. Also facilitates students to have an exposure along with the faculty.

17. POs & PSOs Attainment – Continuous Improvement

Outcome : Continuous Improvement of POs and PSOs attainment

Frequency : Yearly once

Audit Observation : In general need to concentrate on attainment of P04, P05, P06, P011, P012. Attainment levels were observed to be different in each department.

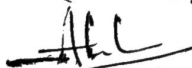

Suggestions :

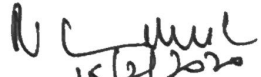

Dr.Ravi Kadiyala, Principal, requested all of the head of the departments to submit analysis, strategic plan on continuous improvement of POs/PSOs -department wise.

Resolutions:

1. Head of the departments are requested to conduct awareness sessions/brain storming sessions for all their faculty towards implementation and documentation of innovative teaching methods for enhanced teaching learning process.
2. Feedback collection on curriculum should be time bound involving more number of stake holders and also involve resources from industry to enhance employable skills among the graduating students.
3. Identify modern technologies in line with the curriculum and bring them to regular usage in laboratories.
4. To promote certification courses in advanced areas like Artificial Intelligence and Data Sciences for computer science & Engineering Students, Programming in C, Python, Java for all the students including non-circuit branches to improve campus placements.
5. Pre assessment and post assessment of Filed Visits/Internships is mandatory in the upcoming academic year and need to be done as per the institutional procedure.
6. R & D Committee shall conduct awareness among the faculty regarding the quality journals towards technical paper publications. All the professors and Ph.D. holders among the faculty should be informed to publish at least one paper in an academic year.
7. Professional Society Committee is informed to keep all the institutional chapters and student chapters active by conducting at least two programs under each platform with desired outcome.
8. Head of the Departments are informed to thoroughly discuss in DC meetings and make strategic plan for continuous improvements of POs/PSOs and present in the next meeting.
9. At least one Faculty Development Program should be conducted in house in advanced areas.

Vote of Thanks: Dr A Kiran Kumar, IQAC Coordinator, proposed vote of thanks and conveyed that next IQAC meeting shall be held in September 2020.

ACTION TAKEN REPORT OF THE MEETING DATED 15-02-2020

S. NO.	ITEM	ACTION TAKEN
1	Teaching & Learning	Innovative teaching methodologies were followed by the faculty and conducted sessions regularly for the upgradation.
2	Curriculum Planning	Involved stakeholders to strength the curriculum by considering their real time values.
3	Identified gaps by Adjunct/Visiting/Emeritus faculty	Though planning of Workshops & Training programmes practical application knowledge was created by the real time Industrial person.
4	Lab Facilities	Upgraded the lab facilities with latest technologies and regular maintenance.
5	Syllabus Monitoring	Monitoring is on completion of syllabus as per the schedule within the timeline.
6	Feedback from Student	Feedback system is implemented to good progress in academic performance of students & Self-evaluation of teaching on regular practices.
7	Project Quality	Faculty & Students were involved in innovative projects.

IQAC CIRCULAR

All the respected members of IQAC, DhaneKula Institute of Engineering and Technology are hereby informed that a review meeting is scheduled at 3:30 PM on 26-06-2018 in IQAC Cell. Hence all the members are requested to attend and extend their contribution for quality enhancement. The agenda of the meeting is as follows:

Agenda

1. Discussion on action taken report of the previous meeting for the Academic year 2017-8.
2. Add on programs Conducted.
3. Organized Workshops and seminars by the departments.
4. FDP organized, participated.
5. Publications, Books & Book chapters.
6. Financial support for Research projects

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Minutes of the meeting of the Internal Quality Assurance Cell (IQAC) meeting held on 26-06-2018 at 3:30 PM in IQAC Cell.

1. Dr. Ravi Kadiyala, Principal and Chairperson of IQAC, warmly welcomed all the members presented to the meeting.
2. Academic audits were completed by all departments, and a summary report was submitted to the principal for further action.
3. The following Agenda discussed by the committee members.
 1. Discussion on action taken report of the previous meeting for the Academic year 2017-8.
 2. Add on programs Conducted.
 3. Organized FDPs, Workshops and seminars by the departments.
 4. Publications, Books & Book chapters.
 5. Financial support for Research projects

Resolutions:

1. The IQAC chairperson has discussed about the Add-on courses relevant to corporate companies and asked heads of departments to identify the courses apart from the regular Workshops/Seminars.
2. Head of the departments are requested to keep track of meritorious students and motivate them to participate in workshops, seminars, paper presentation and Technical events outside Institution
3. Encourage the faculty members to participate and give instructions to organize FDPs, workshops & Seminars.
4. Faculty must have publications, book chapters & book publications.
5. Research Activity to be strengthened in the Institution by inviting guest talks and providing seed money.
6. Vote of thanks: The IQAC chairperson proposed a vote of thanks.

ACTION TAKEN REPORT OF THE MEETING DATED 23-11-2018

S. NO.	ITEM	ACTION TAKEN
1	To improve the learning levels.	<p>i) The effort to use action verbs from Bloom's Taxonomy to categorize learning levels has been put into practice.</p> <p>ii) In order to promote a comprehensive approach to assessment, internal examination question papers have been created with Bloom's Taxonomy action verbs and matched with the designated learning outcomes.</p>
2	To improve the continuous upgradation of staff	Faculty members have registered SWAYAM NPTEL courses in their areas of interest in order to improve their domain expertise.
3	To ensure the quality of teaching	<p>i) The proposed centralized feedback system to ensure quality teaching has been put into practice.</p> <p>ii) A direct mode of feedback collection has been introduced on teaching methodologies, course content and overall learning experience.</p> <p>iii) Feedback data are systematically analyzed, and corrective measures are formulated and implemented based on the constructive input received.</p>
4	Organized Workshops	3 Workshops were organised.
5	Activities conducted by NCC/NSS	<p>29 Activities were conducted by NCC 350 Students were participated</p> <p>11 Activities by NSS – 2502 Students were participated</p>

	Career Counseling Programs conducted	Career counselling program has conducted to understand their own strengths and weaknesses with regard to their present course or profession
	Number of students Placed in Companies	319 students were placed in Multi-National Companies
	Higher Education	50 number of students pursued higher education
	Awards in Sports	43 number of students were won prizes in sports.
	MOU's with industries and colleges.	There are eight MOUs signed in order to carry out activities with Companies and organizations.
