Dr. Ravi Kadiyala

Both **BWEC** and **DIET** are collectively referred to as the Parties and individually as a Party.

WHEREAS, **BWEC** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. WHEREAS, **DIET** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities.

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation.

NOW THEREFORE, the Parties agree as follows:

1. Objectives: The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope: The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and

L. S. S. S.

conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.

- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants.
- **Coordination:** The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:
 - Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
 - Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
 - Resolving any issues or disputes that may arise during the course of this MOU.
 - Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

4. Duration:

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of three years from **Sep 2022 to Sep 2025**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination:

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment:

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

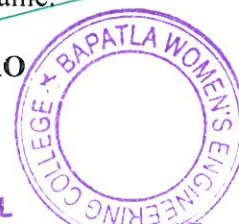

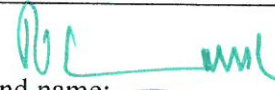

7. Arbitration:

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Ganguru, Vijayawada, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous:

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Ganguru, Vijayawada, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

MEMORANDUM OF UNDERSTANDING

Dhanekula Institute of Engineering and Technology,
Gangur, India
AND
University of Silicon Andhra,
California, USA

FOR THE DEVELOPMENT OF ACADEMIC COOPERATION

The general objective of this Memorandum of Understanding (MOU) is to stimulate and facilitate the development of collaborative and mutually beneficial programs which serve to enhance the intellectual life and cultural development on both campuses, and to contribute to increased international cooperation. Thus, ***Dhanekula Institute of Engineering and Technology (DIET)*** and ***University of Silicon Andhra (UofSA)*** have agreed that in support of their mutual interests in the field of education and research:

1. The two educational institutions will:

- a) Cooperate in the exchange of information relating to their activities in teaching and research in fields of mutual interest. In the event any confidential information is exchanged, the parties will enter into confidentiality agreements, as appropriate, prior to the exchange of information.
- b) Promote appropriate joint academic projects and joint courses of study for the purpose of upskilling, with particular emphasis on student learning outcomes.
- c) Endeavor to encourage students and staff to spend periods of time at the other party's university (the "Host University"), when appropriate. The exchange of students / faculty will be dependent on the execution of a formal Student/Faculty Exchange Agreement prior to commencement of this activity.
- d) Conduct short courses, as mutually agreed in writing between the parties prior to commencement of this activity.
- e) Conduct cultural projects, as mutually agreed in writing between the parties prior to commencement of this activity.
- f) Conduct study tours, as mutually agreed in writing between the parties prior to commencement of this activity.

2. The two Educational Institutions will facilitate the exchange of graduate students. Such exchanges may take place for a period normally of one academic year fulfilling norms of regulating bodies from both ends (or at least one term or semester). The academic standing of such students shall be determined by the Host University. Exchange students will be accorded the rights and privileges of students in the host country in accordance with the regulations of the Host University relating to students and will be admitted under the terms and conditions relevant to the Host University. Accreditation for the academic work carried out by a graduate student during the period of study at the Host University will be at the discretion of the student's home university.

3. The parties will work to develop an articulation agreement between *UofSA* and *DIET* so that students who graduate with a bachelor's degree from *DIET* may apply for admission to selected graduate degree programs at *UofSA*.
4. Admission to a specific department or course is subject only to a student being satisfactorily qualified for the chosen area of study and to the availability of resources in the period for which admission is sought.
5. The aim of the Memorandum of Understanding shall be to document the parties' common intentions to achieve a broad balance in the respective contributions and benefits of the collaboration, and the MOU shall be subject to periodic review by both Universities. This MOU is not legally binding, and as such, it does not give rise to any legal liability.
6. In the implementation of specific cooperative programs, a written agreement covering all relevant aspects, including funding and the obligations to be undertaken by each party, will be negotiated, mutually agreed, and formalized in writing, prior to the commencement of the program.
7. This MOU will be in effect from the date as of which it has been signed by duly authorized representatives of both parties. It will remain in effect until either party terminates it. A party may terminate this MOU by providing a written notice of termination to the other party that is signed by a duly authorized representative of the party giving notice. Any notice of termination shall specify a date of termination that is no less than three (3) months after the date of the notice. Any amendments to this MOU must be in writing and signed by duly authorized representatives of both parties.

The undersigned, being duly authorized representatives of the university for which they are signing, hereby sign their consent to this MOU.

To facilitate collaboration between the Institutions and discussions regarding activities of mutual benefit, this Memorandum of Understanding (MOU) establishes the foundation of the relationship between the two Institutions. On **1stAUGUST 2022**, first party **Dr.LANKAPALLI BULLAYYA COLLEGE OF ENGINEERING, VISAKHAPATNAM** and second party **DHANEKULA INSTITUTE OF ENGINEERING & TECHNOLOGY GANGURU , VIJAYAWADA.**

1. PARTIES OF THE AGREEMENT:

First party Dr.LANKAPALLI BULLAYYA COLLEGE OF ENGINEERING FOR WOMEN, VISAKHAPATNAM and Second party DHANEKULA INSTITUTE OF ENGINEERING & TECHNOLOGY GANGURU , VIJAYAWADA formally established an academic collaboration through this agreement. Here onwards two Institutions are first Party and second Party as in both Parties.

2. PURPOSE OF THE AGREEMENT:

The collaboration will encompass various areas, including curriculum design and other feasible activities that align with the goals of each institution. This partnership may involve joint participation in diverse academic and educational endeavors. The purpose of this MOU is to establish, develop and expand the co-operative relationship between the Parties.

3. DURATION:

- This MOU will take effect from the Commencement Date and will expire at the conclusion of the Term TWO (2) Years, unless terminated earlier in accordance with clause 4.
- The Parties may extend the Term of this MOU by agreement in writing at any time prior to the expiry of the Term, or the expiry of any extension to the Term.

4. AREAS OF CO-OPERATION:

The Parties anticipate that an Activity Agreement will specify, where relevant the nature and location of the Activity. The responsibilities and liabilities of each Party, including the services and resources to be provided by each party in this MoU such as,

- Exchange of Knowledge: Both colleges agree to share academic resources, research findings, and other relevant information to enhance their educational programs
- Faculty Exchange: The colleges will encourage faculty members to participate in exchange programs, allowing them to teach or conduct research at the partner institution.
- Student Exchange: The colleges will facilitate student exchange programs to promote cultural understanding and academic growth.
- Joint Research Projects: The colleges will explore opportunities for joint research initiatives and seek funding for collaborative projects.

5. IMPLEMENTATION:

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

- Identify Activities they wish to engage in collaboratively from time to time;
- Discuss the identified Activities with a view to reaching agreement on the terms of cooperation for each activity.

6. GOVERNANCE AND DECISION-MAKING:

- Both colleges shall appoint a designated representative to oversee the collaboration and serve as the primary point of contact.
- Decisions pertaining to the implementation of this MoU shall be made jointly by both representatives.

7. CONFIDENTIALITY:

Both colleges shall ensure that any confidential or sensitive information shared during the collaboration is protected and used solely for the purposes outlined in this MoU.

8. INTELLECTUAL PROPERTY:

Any intellectual property resulting from joint research projects or collaborations shall be governed by a separate agreement to be negotiated and agreed upon by both parties.

9. REPORTING AND EVALUATION:

Both colleges shall provide periodic progress reports on collaborative activities. Evaluation of the collaboration's effectiveness will be conducted jointly to assess its impact and identify areas for improvement.

10. TERMINATION:

- At least 3 months prior notice in writing;
- At any time by mutual written agreement.
- Commencement Date means the date on which the last of the parties executes this MoU.
- Termination shall not affect ongoing projects unless mutually agreed upon.

11. AMENDMENTS:

Any modifications to this MoU shall be made in writing and require the approval of both colleges.

- In the event of any unforeseen incident during collaborative activities, both colleges agree to negotiate a mutually acceptable solution.
- Should any disagreement arise out of the application, interpretation or implementation of this Agreement, the colleges shall endeavor to exercise best efforts to negotiate their differences.

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2023 to June 2024. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

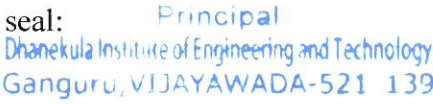

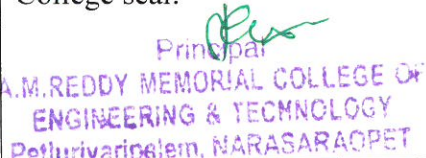

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr.CH.Mallikarjun, here in after referred to as AMRN;

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

DIET: Name of the Coordinator: Dr. A Kiran Kumar Designation: Professor in ME Email id: akirankumar78@gmail.com Whatsapp no: 9703818580	AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from October 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

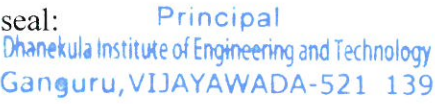

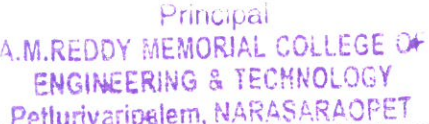

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
