All the staff and students are hereby informed to scrupulously follow the procedures as detailed below to reduce the use of plastic in the campus and contribute for environment sustainability.

1. Avoid using single-use plastic like plastic sheet / cling film used for food wrapping, plastic tumblers, plastic carry bag of all sizes and thickness, water pouches / packets in the campus.
2. Avoid bringing non-bio-degradable plastic items to the institution.
3. Avoid using plastic water bottles in the campus, as substitute may use steel or copper water bottles.
4. If any plastic material is found inside the campus the students and staff members are advised to drop those materials in the assigned dustbins only and not to litter the college premises.
5. All students and staff are requested to personally take initiatives to protect and preserve our environment.

We look forward for the complete cooperation of the staff and students.

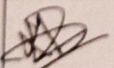

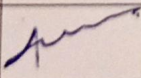

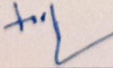

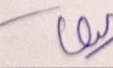

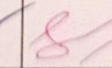

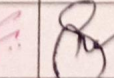

SAY NO TO USE OF PLASTIC.

Sub: RESTRICTED ENTRY OF AUTOMOBILES

All the staff and students are hereby informed that riding of vehicles beyond the parking lot within the campus is strictly restricted. In order to reduce the global Carbon Footprint, we request each and everyone in the institute to make use of public transport conveyance to promote sustainable public transport system in turn to save the environment.

The vehicles owned by faculty or students without pollution check stickers are not permitted into the campus.

The college advises the students and staff members to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution.
