EVENT REPORT**

Date	24-09-2022
Event Name	NSS Day
Venue	Ganguru
No of Participants	12

**DESCRIPTION**

On 24.09.2022, DIET - National Service Scheme (NSS) Unit has conducted a PLANTATION DRIVE at one of our adopted village Ganguru on the eve of National Service Scheme (NSS) Day. About 12 student volunteers, NSS PO, Sports & Games coordinators have participated in this plantation drive. The volunteers have distributed and planted trees throughout the village and given some awareness regarding the importance of trees for our health and environment to the local people.

# Swachh Bharat Summer Internship

@swachhbharat

facebook.com/sbmgramin

tinyurl.com/sbmgramin

# What is Open Defecation?

- Open defecation is the human practice of defecating outside, in the open environment (fields, bushes, forests, ditches, canals, etc)
- Open defecation causes:
  - loss of dignity
  - diseases like Diarrhoea, Cholera, Epilepsy
  - malnutrition and stunting
  - increased medical expenditure in rural India
  - These diseases cause death of over 1 lakh children in the country annually

# Why do people continue to defecate in the open?

Lack of access to a toilet is not the only reason people continue to defecate in the open.

Many people continue open defecation even after a toilet is available in their homes because of many socio-cultural perceptions and beliefs.

# What is Swachh Bharat Mission (Gramin) ?

- Launched on 2nd October, 2014
- Biggest drive to improve sanitation, hygiene and cleanliness and to eliminate open defecation in the country by 2nd October 2019
- World's biggest behavior change programme with strong focus on
  - interpersonal communication;
  - strengthening implementation and delivery mechanisms down to the GP level
  - taking into account local cultures, practices, sensibilities and demands
  - scientific solid and liquid waste management systems in rural areas

# The biggest behavior change program ever attempted

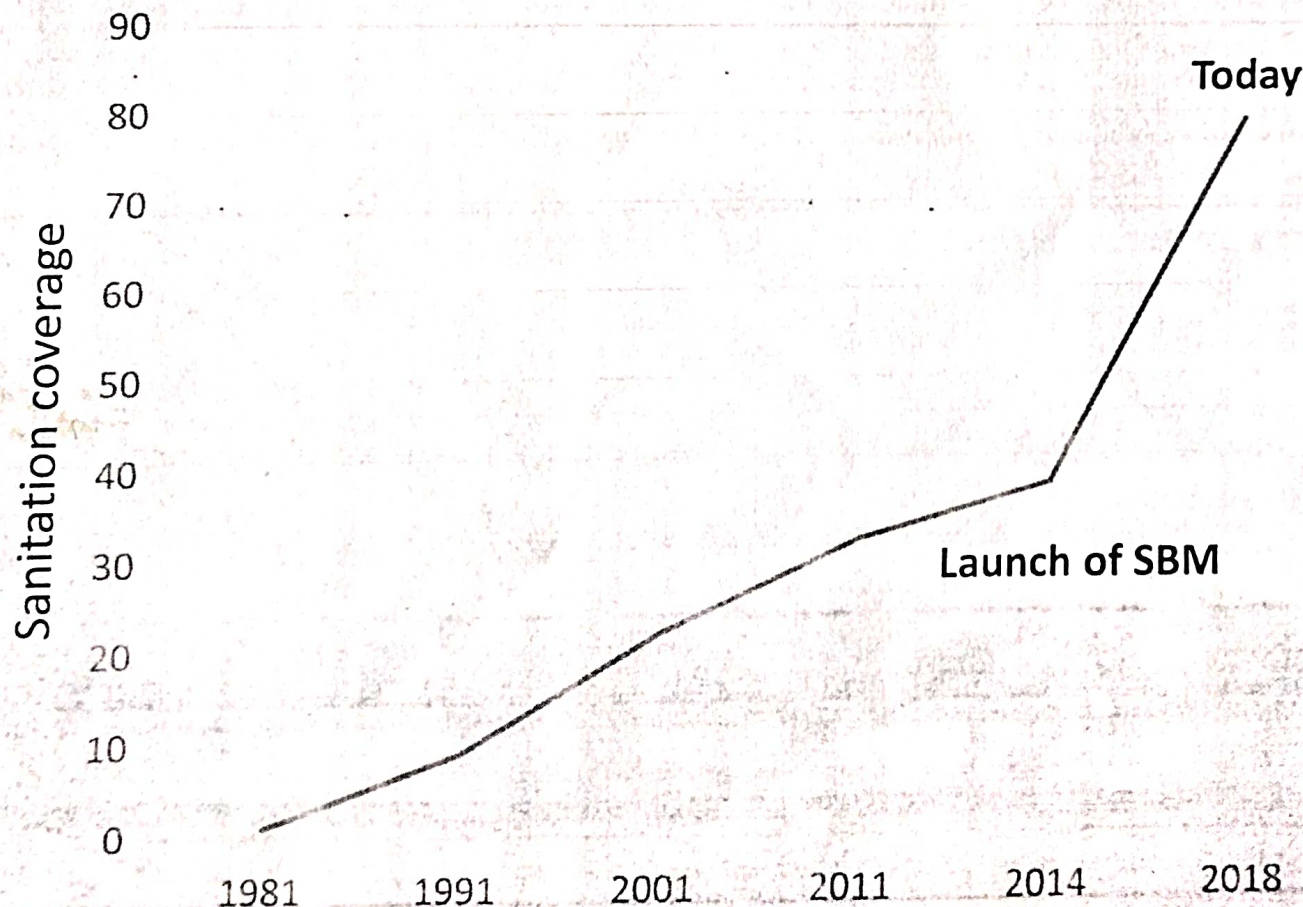

Number of people in rural India practicing open defecation

October 2014

**55 crore**

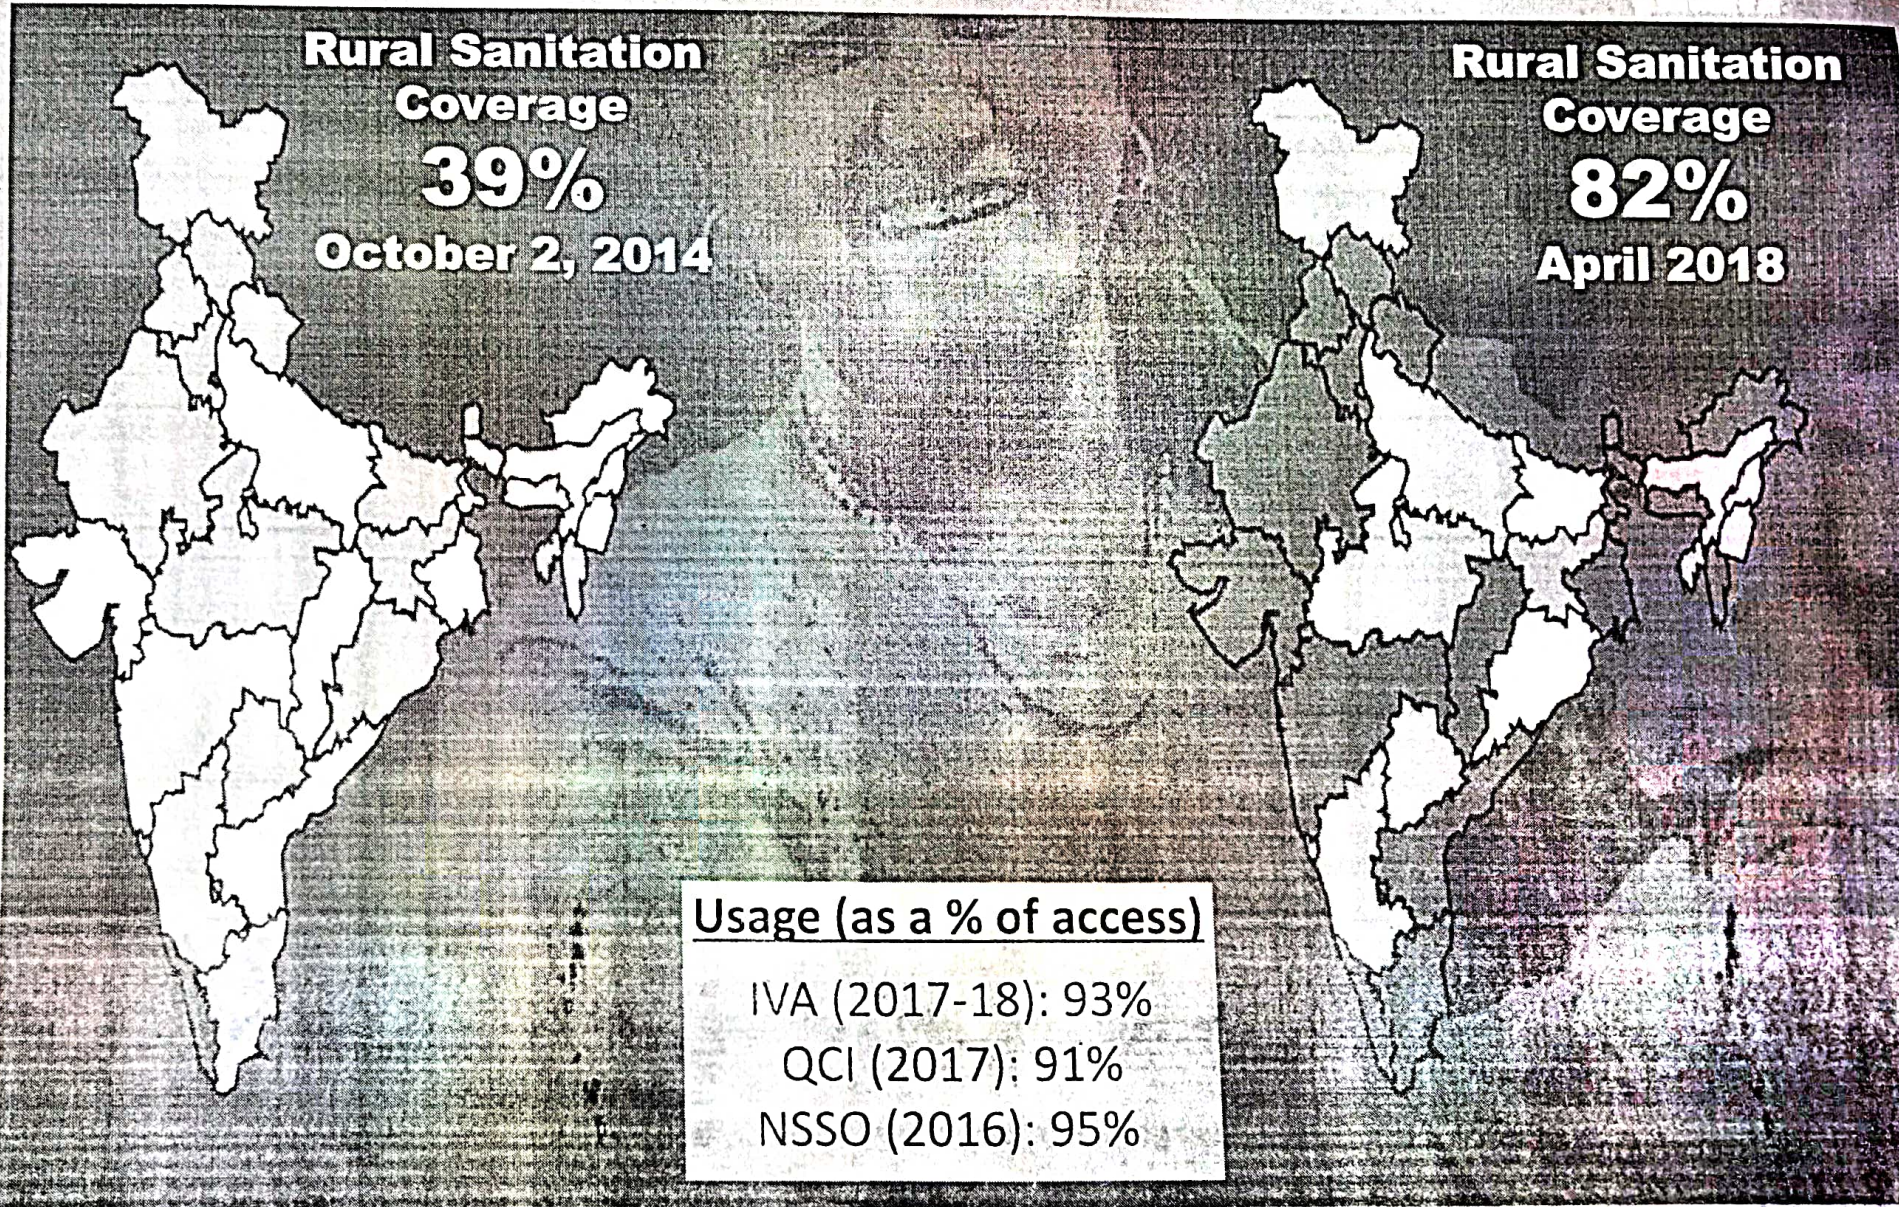

April 2018

**20 crore**

- Over 6.7 crore toilets have been built since Oct 2014
- 3.45 lakh villages and 363 districts declared ODF
- Eleven states and three Uts declared ODF

# National Rural Sanitation Coverage has more than doubled since the launch of Swachh Bharat

# How SBM is unique

First time PM is personally championing a sanitation mission in India – political will at the highest level

Behaviour change and usage at the heart of the SBM – supply follows demand

Policy shift from Output to Outcome based construction to ODF

Focus on the last 10% and 100% coverage

Partnership with Central and State Governments

# Swachh Bharat Summer Internship

Following the Prime Minister's clarion call on 2<sup>nd</sup> October 2014 for each individual to devote at least 100 hours to Swachhata through the year, Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation has launched

**Swachh Bharat Summer  
Internship  
100 Hours of Swachhata**

# Role of Nodal Officers (Educational Institution)

- Disseminate information about the internship programme (through posters/ banners/ mass emails etc)
- Conduct college level campaigns to mobilize participation
- Nodal Officers to register on the <https://sbsi.mygov.in>
- Online approval of interns' applications
- May facilitate necessary logistics for interns (travel to the village, refreshments, etc).
- To ensure that all interns submit their reports on the portal <https://sbsi.mygov.in> on time (within 15 days of completion of fieldwork)
- Approval of submitted reports online
- Submit the details of the awardees to the next level i.e. University.

**Note: Responsibility for safety and security of the interns during village visits lies with the parent institution, hence the location should be chosen appropriately and liaison done with local administration wherever necessary**

# Important Links
